

## Job Description

**Job Title:** Finance & Risk Officer – Disability Inclusive Development

**Job Location:** UK

**Reports to:** Finance & Risk Manager – Disability Inclusive Development

**Responsible for:** N/A

**Department:** Policy and Programme Strategy (PS2)

### Job Purpose:

The Finance & Risk Officer – Disability Inclusive Development will support the day to day administration of the Inclusion Works programme to ensure all financial requirements of the project are fully met. This role will involve close collaboration with the Institutional Funding team, which has overall responsibility for the funding, as well as the Planning, Performance and Reporting (PPR) team, consortium partners and implementing partners. The post holder is expected to travel up to 5 weeks a year.

### Principle accountabilities:

1. Support the development, review and amendment of coordinating and implementing consortium partner contracts and budgets to enable project delivery.
  - Support the core project annual budgeting process, including development of templates, coordinating budget submission and preparation of agreement/amendment letters.
  - Coordinate and support reviews of expenditure vs budget for all consortium and implementing partners/countries
2. Coordinate the process for timely and accurate donor financial submissions including core financial expenditure reports, forecasts and ad hoc requests.
  - Check, review and process consortium and implementing partner and consultant claims, and support with other day to day finance and administration tasks on the project.
  - Assist the Finance & Risk Manager- Disability Inclusive Development with the review of all financial expenditure reports/outputs.
3. Undertake ongoing financial monitoring of consortium partner projects budgets and sharing this analysis as required.
4. Support the preparation of financial reports and forecasts for the donor.
  - Reconcile the reports to the accounting system.
  - Assist with the production of internal management accounts in line with Inclusion Works project team timetable.
  - Support the Finance & Risk Manager- Disability Inclusive Development with annual project reporting
5. Support the day to day finance and administration tasks on the project including partner transfers, funds request for donor, cost recovery, fund management and procurement.

- Work with the Finance & Risk Manager Inclusion Works and relevant Sightsavers teams to ensure income and expenditure on projects funded by institutional donors is correctly reflected in Sightsavers financial systems.
- Support the commissioning of risk and audit reviews of consortium and implementing partners.

The principle accountabilities are not meant to be an exhaustive list of tasks. The need for flexibility is required and the job holder is expected to carry out any other related duties that are within the employee's skills and abilities whenever reasonably instructed
